

Myo-Inositol

Manufactured to Listed Medicine Standards

Orthoplex Myo-Inositol provides a vegan-friendly, six-carbon sugar alcohol developed to meet the need for a high quality inositol that is specifically manufactured to listed medicine quality standards.

In compliance to these standards, Orthoplex Myo-Inositol has been validated, sourced and tested in a licensed laboratory to strict internationally recognised pharmacopeia monograph standards. The formula undergoes rigorous and validated manufacturing processes specific to listed medicines to ensure a clean, pure and high-quality Inositol.
