Patient Order System (POS)

The Patient Order System allows practitioners to have a client's goods sent directly to them on demand. Please read the following carefully:

- Bio Concepts charges the client the pricing level you set for them
- Practitioner receives a rebate each month based on the markup on the wholesale price excluding postage. This will be paid at the start of each month via bank deposit
- All orders must be placed via the website **www.bioconcepts.com.au**
- Orders placed before 12 noon will be processed the same business day
- All orders will be sent via normal post unless stated. Postage charges of \$7.70 per order will apply

Please supply bank details for deposit
